

## Home Learning

Do you have any experiences or information that can enrich our learning journey? Please let us know if you do!

You might want to join in with our learning at home by:

### Reading

Stories about starting school.

Stories that think about ourselves and our families.

Bible stories.

Traditional fairy tales.

### Watching

Charlie and Lola.

Something Special.

Numberblocks

### Doing

Making up stories and asking an adult to write them for you.

Making an Autumn collage.

Making an Advent Calendar.

### Visiting

Going for an Autumn walk.

Exploring the local community.

Talking to older relatives to find out about the past.

## St. Philip's Catholic Primary School

In the Reception Class our learning journeys take into account the interests of the children. In Term 1 we do include a focus on ourselves and our families. We also investigate the changing seasons. In Term 2 we will learn about celebrations including Christmas.

Some of the questions we will be thinking about...

- Who am I, what names am I known by?
- Who is in my class and school?
- What do I like?
- How am I the same and different to others?
- What different feelings do I have and how can I manage them?
- How do we look after ourselves, each other and the school?
- What do I know about the harvest?
- How is the season changing?
- Why do we celebrate Christmas?

# Our Learning Journey

## Hello and welcome!

Getting to know each other.

Learning about school routines.

Why am I special?

## All about me!

My family.

Thinking about what is the same and different.

## What interests do we have?

## Puppet Show!

Watching a puppet show.

What stories can I make up?

## Harvest

What foods do we need to keep us healthy?

How do people around the school help us?  
What jobs do they do?

Visit to Uckfield Fire Station.

## Bonfire Night

Firework and rocket making.

How to stay safe on Bonfire Night.

## Winter

I wonder what happens in Winter?

What happened to water when it gets cold?

## Christmas

How do we celebrate Christmas? Why is the baby in the manger special?

What other celebrations have I been a part of?

## During these two terms we hope to enrich the children's learning with...

- Exploring the differences between us including: physical, home languages, families and interests or hobbies
- Watching a puppet show in the hall
- Learning about the Harvest
- Finding out about the fire service from real firefighters
- Having an 'Emergency Day' in which we can dress up and role play
- Role playing the Nativity story
- Exploring artists such as Frida Kahlo and Paul Klee
