## Accessibility Statement for [www.stphilips.e-sussex.sch.uk](http://www.stphilips.e-sussex.sch.uk)

St Philip's Catholic Primary School is committed to ensuring digital accessibility for people with disabilities. We are continually improving the user experience for everyone, and applying the relevant accessibility standards.

### Website accessibility overview

The website:

- Is viewable on all standard devices and will also work on smaller screen devices such as phones.
- Will detect the screen size and adjust its output to correctly fit the viewers screen size.
- Works with the following screen readers
  - Chrome OS
  - Microsoft Windows
  - Mac
- Can be accessed and controlled using just a keyboard.
- Works on both traditional and touch based devices.
- Works when used in zoom in mode
- Offers navigation categories and a search system

### Document and file type overview

All of the documents on this website, no matter their file type, are viewable using the built HTML preview mode. The built in preview mode automatically converts any file type (word, pdf etc) to a HTML web based viewable version when accessed. This means whatever the file type it will always be viewable, readable and printable from any device using any browser and without the need to have any additional software installed on a personal device.
