

Spanish at St Philip's

We learn Spanish at St Philip's as it is the second most spoken language in the world.

Spanish is introduced from reception in spoken form. In reception children answer the register in Spanish and count to 10 and name the primary colours.

In Year 1 and 2 this continues and extends to a wider range of greetings, displaying the date on the board in Spanish and counting to 100 and naming a wider range of colours.

We use the Language Angels scheme of work, which is a fully online resource enabling all teachers in all classes to have instant and continuous access to all the resources they need to teach whichever lesson they choose. Topics have been linked where possible to our wider curriculum.

Below is an outline of the units we will cover throughout KS2. Each lesson will focus on a combination of the 5 key language learning skills (speaking, listening, reading, writing and grammar).

Year 3	Year 4	Year 5	Year 6
Core Vocabulary * & Phonetics	Presenting Myself	Do You Have A Pet?	Verbs & Grammar
